

# Participant Consent Form

**Project Title:** Electrotactile Feedback

**Name of Researcher:** Patrick Kiehlmann – 2623719k@student.gla.ac.uk

**Name of Supervisor:** Prof Stephen A Brewster – stephen.brewster@glasgow.ac.uk

Please read the following points carefully and tick each to provide your consent.

- I have read and understood the accompanying introduction sheet and the information sheet.
- I understand my data rights and my rights as a participant in a University of Glasgow experiment
- The experiment has been explained clearly to me. I know what will happen and have asked any / all questions I had.
- I have had a demonstration shown to me to see how the electrodes will be attached to my hand
- I allow the researcher to attach the two pairs of electrodes onto my hand
- I do not have a pacemaker or other medical electrical equipment inside my body
- To my knowledge, I have no underlying heart conditions
- I am not pregnant.
- I am not allergic to silver
- I understand that participation is voluntary and that I may withdraw at any time without giving a reason. I know that I can retroactively ask for my data to be removed from the results
- I understand that the research data may be published anonymously and that my personal data will be kept confidential in accordance with data protection guidelines.

I have read this information sheet and agree to voluntarily take part in this experiment.
